

STONES CAN SMILE

**WYCOMBE
WANDERERS 2,
WEALDSTONE 2**

TWO GOALS from out of nowhere late in Tuesday night's battle of the giants at Louks Park put Wealdstone back on terms — when once both points had seemed lost.

Wycombe had enjoyed a lead ever since the 14th minute. Tony Horseman was tripped only inches outside the visitors' area, and the resulting free kick from Worley went on a pinpoint course to be headed goalward by John Delaney.

The swift-acting Geoff Anthony increased the lead in the 51st minute as Busby let a penetrating Horseman cross through for his left winger to catch Wealdstone wide-open.

However Wealdstone obviously lasted the pace of a fast, if niggly game the better. And when Johnny Hutchinson took over from Benny Mitchell on the left wing after 65 minutes, its whole complexion changed dramatically.

Within three minutes a Sedgeley centre had found the head of Keith Seale to put Wealdstone firmly on the Wanderers trail.

Another two minutes, and they were breathing down Wycombe's neck, when Swain swung round to shoot the equitiser at a clear net.
